Designed for surgeons by surgeons

➤ PlumePen® Elite

Pushing the boundaries through design innovation, PlumePen® Elite features a compact, ultra slim, ergonomic design that is significantly smaller than competitive electrosurgical smoke pencils. PlumePen Elite offers the comfort and advanced feature set surgeons demand.

➤ PlumePen® Ultra

No matter the surgical procedure, PlumePen® Ultra is up to the challenge. Ultra offers a telescopic capture port with an advanced swivel design that will delight the surgeon with superior hand movement and less wrist drag.

➤ PlumePen® Pro

The PlumePen® Pro features an easy to remove x-ray detectable capture port that allows for effortless electrode replacement to accommodate surgeries where longer electrodes are desired.
