

MALEM[®]

ENURESIS ALARMS

Cure Bedwetting, Permanently

Wireless

64 channels

- Comfortable, compact and light-weight
- Easy to set up and use
- Can be used with **any** pair of underpants
- Transmitter magnetically clips to the underpants' waistband
- Uses Malem's famous unisex Easy-Clip[®] sensor
- Choice of 8 single sounds
- 8 random sounds to prevent 'Auditory Accommodation'
- Flashing LED
- Volume control
- Battery operated (no mains electricity)
- Advanced auto channel tuning with 64 choices
- Long range 25 metres
- No hidden extras
- Additional receivers can be purchased for parents/carers
- Ideal for children who do not wish to wear pyjamas in bed
- Can be used for geriatric incontinence management
- For the treatment and cure of Enuresis (bedwetting), the receiver must be in the same room as the transmitter
