

INFORMATION

BODY SCREEN

Body Screen aids the donning of compression garments and provides an excellent and long lasting slip effect. It is clean to use and is non-staining.

Body Screen should be applied sparingly and fully massaged into the skin both on donning and following removal of the garment.

Body Screen is available in tubes of 100ml or bottles of 500ml.

Body Screen can be used in conjunction with Cica Crème.

Body Screen contains the following. Do not use if you have a known allergy to any of the contents:

Aqua-Cetearyl Octanoate-Butyrospermum Parkii-Cetearylalcohol--Propylene Glycol-Sorbitan Stearate--Sucrose Cocoate-Panthenol-Allantoin-Bisabolol-Trimethylsiloxysilicate,PPG (15) Stearyl Alcohol-Cyclomethicone-Xanthan Gum-ImidazolidinyUrea-Dimethicone-Methylparaben-Propylparaben, EDTA, Bht
