

Yonker Infrared Thermometer YK-IRT1 and YK-IRT1 probe covers

Features :

Colour: Blue

2 Functions: Forehead and Ear. Probe covers for ear use are sold separately in a box of 200 covers.

Detailed 12 memories with time/date

Response time:1 second

Fever alarm sounds

Selectable C/F mode

Error message indication

Fever teller

Dimension :

120mm×40mm×30mm

Weight (without battery)

50g

Power Requirements :

2pcs"AAA batteries

Environment Requirements :

Ambient temperature:10C~40°C

Relative humidity: ≤85%

Atmospheric pressure:70kPa~106kPa

Storage Temperature : -20~+45°C

Relative storage humidity≤85%

Yonker Infrared Gun Thermometer YK-IRT2

Features :

Temperature of body or surface of object

Detailed 34 memories with time/date

Response time:1second

Effective distance:5-15cm

User guidance by infrared beam

Fever alarm sounds

Selectable C/F mode

Error message indication

Fever teller

Dimension :

150mm×75mm×50mm

Weight (without battery) :

120g

Power Requirements :

2pcs"AAA batteries

Environment Requirements :

Ambient temperature:10C~40°C

Relative humidity: ≤85%

Yonker Infrared Forehead Thermometer YK-IRT4

Features :

Temperature of body or surface of object

Detailed 34 memories with time/date

Response time:1second

Effective distance:5-15cm

User guidance by infrared beam

Fever alarm sounds

Selectable C/F mode

Error message indication
